

Ciheiului overpass

Data and facts

Company

Type Road construction, Bridge construction

Runtime 05.2015 - 10.2016

Principal C.N.A.D.N.R. S.A. (Romanian National Company of Motorways and National Roads)

[Project report online](#)

www.porr-group.com

A great example of professionalism.

The more particular works comprised the diversion and protection of two 20kV underground power lines. Therefor we installed a 900m long underground cable and replaced four electrical poles corresponding to a 120 kV power line.

The sheer amount of completed work on the Ciheiului overpass project can be best shown by the following figures:

- Asphalt: 10,500t
- Ballast: 68,000m³
- Concrete: 4,300m³
- Crushed stone: 14,500t
- Excavation: 12,000m³

Impressions

Image notes

1

An example of professional construction work.

PORR finalised the works two months ahead of schedule. The overpass was opened for traffic on 21 October 2016.

2

Road to Oradea.

The bridge superstructure was executed using prefabricated T-shaped beams.
